

Quick Sheet: Remove Compatibility View Settings for Internet Explorer

Audience: All GrantSolutions Users

PURPOSE

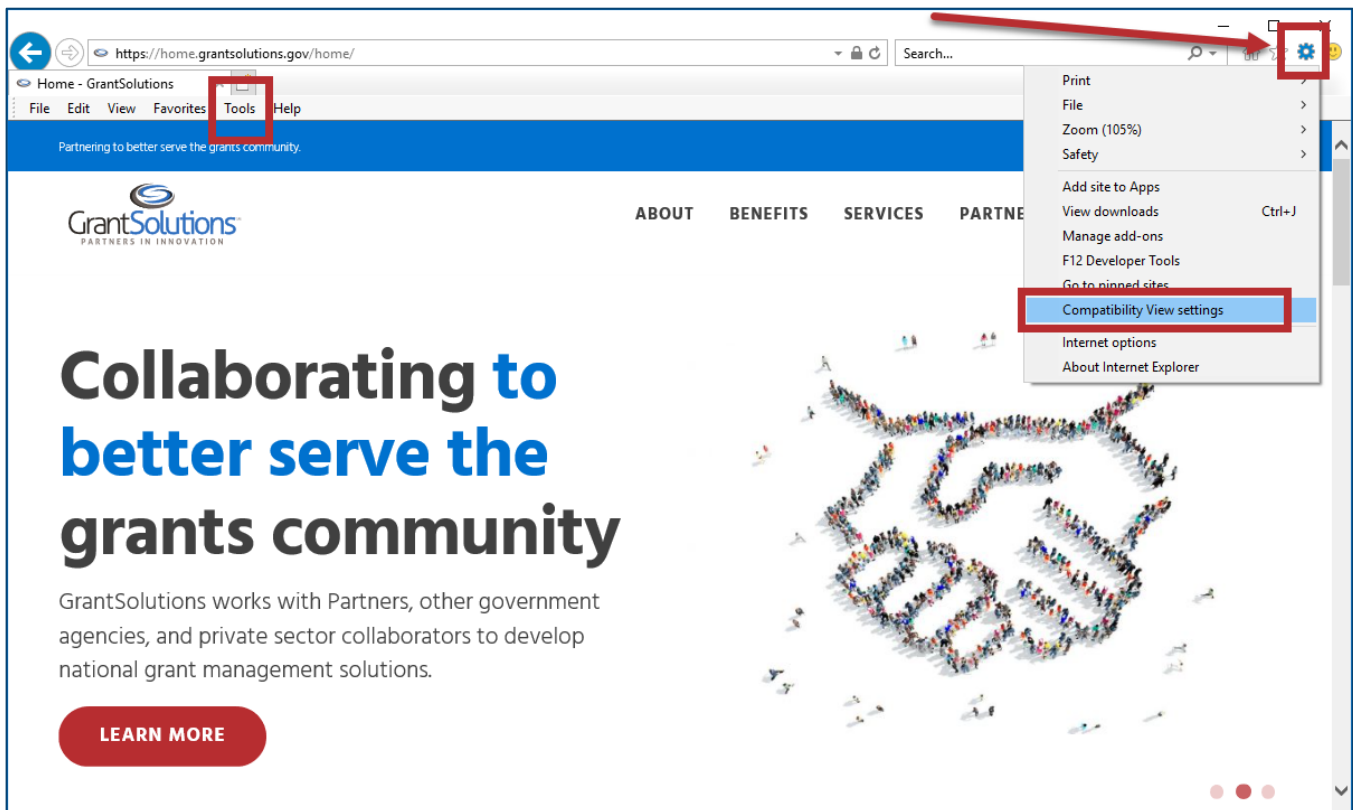

This document outlines the steps needed to remove Grantsolutions.gov from the compatibility view settings in Internet Explorer.

STEPS

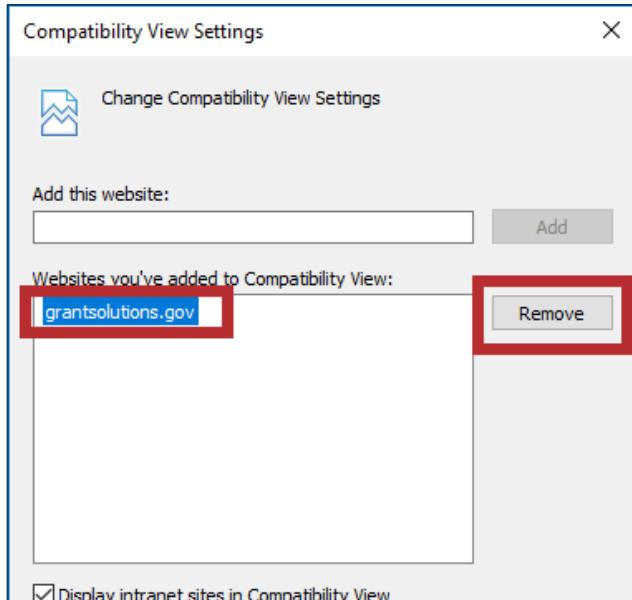

1. Open Internet Explorer.

2. When the "Internet Explorer" window opens, click the **Tools** icon or select **Tools** from the menu bar.
3. From the drop-down menu, select **Compatibility View settings**.

4. The “Change Compatibility View Settings” window opens. From the *Websites you’ve added to Compatibility View box*, select **grantsolutions.gov** and then click the **Remove** button.

5. Click the **Close** button.
